

ADDENDUM TO LICENSE AGREEMENT

THIS ADDENDUM TO LICENSE AGREEMENT is made as of _____ (date) by and among COLLECTORS UNIVERSE, INC., a Delaware corporation (“CU”), and _____, (LICENSEE) and is intended to be part of the IntelliQuote License Agreement between CU and LICENSEE dated _____ (date) (“License Agreement”).

1. Annual Subscription License/Subscription Fee. CU agrees to add the PCGS & NGC Certified Auction Prices Realized Database (CAPRD) prepared by Collectors Universe, Inc. (“CU”) to LICENSEE’s copy of CU’s INTELLIQUOTE Version 10 (“IQ”) in accordance with the terms and conditions of the License Agreement and this Addendum. In consideration thereof, LICENSEE agrees to purchase and renew, as needed, an annual subscription license to CAPRD. LICENSEE agrees to pay CU the sum of \$1,800 every calendar year in advance of receiving access to CAPRD. Months that do not fall at the start of a calendar year will be prorated and must also be paid in advance. These sums are in addition to any sums otherwise due under the License Agreement, and in accordance with the terms and conditions governing such other payments. The annual subscription license fee for CAPRD set forth herein is subject to change. Any such changes to the amount of the annual subscription license fee will be sent in writing at least one month prior to the end of any given year.

2. Restrictions on Reproduction of CAPRD. CAPRD is proprietary to CU and remains the property of CU. CAPRD is not LICENSEE’s property and LICENSEE acquires no rights whatsoever with respect to said data or information except as provided in the License Agreement. Reproduction of CAPRD in any manner or format is strictly prohibited, as is the sharing of this import (or any data contained herein). Violation of these Terms of Usage may result in criminal prosecution to the fullest extent of the law as well as cancellation and forfeiture of any remaining subscription balance.

3. CU Representations and Warranties/Disclaimer/Use of Information. CU represents and warrants to LICENSEE the following: (a) that it is the sole owner of the history of CAPRD and is fully empowered to enter into this Agreement; (b) that LICENSEE’s use of CAPRD in accordance with the terms and conditions of this Agreement will not infringe upon any third party’s patent, copyright or other proprietary rights, nor constitute a misappropriation of a third party’s trade secrets. CU represents and warrants to LICENSEE the following: (a) that it is the sole copyrighted owner of IQ and the copyrighted Certified Auction Prices Realized software component and is fully empowered to enter into this Addendum Agreement; (b) that LICENSEE’s use of any software licensed hereunder in accordance with the terms and conditions of this Agreement will not infringe upon any third party’s patent, copyright or other proprietary rights, nor constitute a misappropriation of a third party’s trade secrets. Except as otherwise set forth in this Paragraph, CU disclaim any other warranties relating to CAPRD, including, but not limited to, the implied warranties of merchantability and fitness for particular use. CU disclaim any and all warranties of the accuracy and completeness of the information contained in CAPRD. Attribution information, when shown, is provided to the best of CU’s

ability, but may be inaccurate. At any given auction, prices realized may be aberrant and may not be reflective of the overall market value of a coin. Also, errors and omissions can occur.

4. LICENSEE's Representations and Warranties to CU. LICENSEE hereby acknowledges the validity of CU's rights to the auction prices realized software component in IQ, acknowledges that the software component in IQ is the sole property of CU and represents that the software component in IQ is covered and protected by all of the same rights as IQ as outlined, defined, and agreed upon in the License Agreement.

5. LICENSEE's Representations and Warranties to CU. LICENSEE acknowledges and agrees that CAPRD is proprietary to CU and remains the property of CU. LICENSEE also agrees that CAPRD is not LICENSEE's property and that LICENSEE acquires no rights whatsoever with respect to said data or information except as provided in the License Agreement. LICENSEE agrees that reproduction of CAPRD in any manner or format is strictly prohibited, as is the sharing of this import (or any data contained therein). LICENSEE acknowledges that CAPRD prices may be aberrant and may not be reflective of the overall market value of a coin. Also, errors and omissions can occur. LICENSEE understands and acknowledges these facts and agrees that this database should not be the only source consulted when making a decision about buying or selling coins. LICENSEE agrees that LICENSEE's sole remedy in case of any alleged inaccuracy or other act, omission, or breach by CU shall be a refund of LICENSEE's payments herein not to exceed the amount of a one calendar year subscription. In addition, LICENSEE acknowledges that CAPRD information is subject to misinterpretation by individuals who do not have a complete understanding of rare coins and auctions. LICENSEE, therefore, agrees that it will not conspire, contribute, or otherwise assist in fraud in the sale of any coin; directly or indirectly mislead the buyer of any coin in any way; or exercise negligence in the marketing of any coin using CAPRD information. LICENSEE represents and warrants to CU the following: (a) that it shall disclose to any person or entity using IQ pursuant to this Agreement that CAPRD is the property of CU and is used under license; (b) that it shall use CAPRD only for so long as this Agreement remains in effect, and only in the manner and for the purposes specified in this Agreement; (c) that it shall not, either during or after the term of this Agreement, do anything, or aid or assist any other party to do anything, which would infringe upon, harm, or contest the rights of CU in CAPRD or any other information provided under this Agreement. LICENSEE agrees to indemnify and hold CU harmless against any liability, cost, damage or claim (including reasonable attorney's fees) arising from a breach of any of the foregoing warranties.

6. Term/Termination. LICENSEE's failure to pay the amount set forth in Paragraph 1 when due, or any attempt by LICENSEE to copy, use or transfer data and or information from CAPRD without CU's express written consent, or any other violation of this Agreement, shall be grounds for immediate termination of the License Agreement and Subscription without prior notice to LICENSEE. In addition, LICENSEE and CU have the right to terminate this Agreement at the end of each calendar year by written notice at least thirty (30) days prior to the end of said year. Upon any termination of this Agreement, LICENSEE agrees to cease all use of CAPRD and to remove all copies of CAPRD from its computer or computers.

7. Full Force & Effect. In all other respects, the License Agreement shall remain in full force and effect.
